RE: Letter of recommendation for Mag.phil.Karolína Šajánková

Mag.phil.Karolína Šajánková is currently teaching in the Department of Political Science at the Alexander Dubček University of Trenčín.

I have known Mag.phil.Karolína Šajánková for close to one year, since September 2008, when she became a member of our Department of Political Science. It is only a short time, but I have been able to make an extensive and, I believe, balance judgment of her academic abilities including her teaching skills and her publication record and, in particular, her potential as a scholar in the future.

I have had occasion to observe Mag.phil.Karolína Šajánková as a teacher on several occasions. She is very well prepared and well organized and this is of great advantage to her students. I can also attest that Mag.phil.Karolína Šajánková has an excellent command of the English language.

Besides being a very good academic, Mag.phil.Karolína Šajánková is also a very dependable and hard-working person. In this regard, she will make an excellent colleague. She is very willing to perform those administrative tasks that are part of the responsibility of all faculty. Being willing to share such responsibilities is, I believe, essential in a colleague.

In general, Mag.phil.Karolína Šajánková is an up and coming scholar who promises to be a first-rate academic both in the area of teaching and publishing; and, in addition, is an excellent colleague.

Sincerely,
